### Declaration & Consent

Before entering any project details, you'll be asked to declare your acknowledgement and/or consent with respect to the following:

- I personally was the principal designer on each project submitted (or in the case of a joint entry, we confirm equal design partnership).
  - I created the original design concept on each project.
  - I was responsible for the design development process.
  - I wrote the design brief/s contained in each entry.
  - I was responsible for all design changes made during the design phase of the project/s.
  - I hold responsibility for all design documentation (drawings and specification).
  - I have obtained, and hold written permission, from the owner of the project/s to enter these awards and for any resulting publicity.
  - I have obtained, and hold written permission, from the photographer or copyright holder of the images supplied as part of this entry.
  - I give permission to KBDi to publish the images supplied with this entry on their website, social media pages, blogs, flyers and brochures, and within editorial provided to third parties.
  - I indemnify KBDi from any action, legal or otherwise, taken by any project owner, photographer, or any person or entity who has a claim to copyright in relation to any entry I submit in this competition.
- 

### Principal Designer Details

As set out in the Entry Pack (page 8), a Principal Designer must be nominated for individual and Business Member Entrants.

In the case of 'Collaborative Design Partnership' entries, two Principal Designers must be nominated (one from each separate entity).

In each case, you'll need to provide the following details:

- KBDi Membership Status of Principal Designer (i.e. Certified Designer, Designer or Associate Member)
  - Previous entries (Is this the first time you've entered the KBDi Designer Awards?)
  - Principal Designer's Email
  - Principal Designer's Telephone Number
- 

### Entry/Project Details

You'll be asked to provide some basic information for each entry, including:

- Project Title

We'll need you to name your entry with the following naming convention:

*State\_designer\_surname\_first\_name\_initial\_project# (e.g. nsw\_smith\_s\_project1)*

Note: in a Collaborative Design Entry, use surname of principal designer (1).

- Category  
(See pages 8 and 9 of Entry Pack for a summary of Entry Categories.)
-

- Project Location**  
Was your project in a City (Urban) or Regional area?
  
- Overall Square Meterage**  
Please indicate the size of designed space only – not overall residence size.
  
- Project Cost: Design Fees**  
If you do not charge a designated/separate design fee, please indicate the rebate/allowances made in manufacturing costs to accommodate your design process.

*Please note that project cost data does not form part of the judging submission, and will not be disclosed to the judges at any stage. KBDi are collecting this data purely for the purposes of industry surveying, marketing and education. Any information presented or published will be strictly anonymous and general in nature.*

We're also seeking project cost data specific to the following categories:

- |  |   |
|--|---|
| Small Kitchens                                 | Small Bathrooms                                 |
| Large Kitchens                                 | Large Bathrooms                                 |
