Canapes and refreshments provided

RSVP: 18 Sept | 1300 253 223 | events@kbdi.org.au

WHAT'S ON

What you need to know about Waterproofing: Membranes, Microns and Manufacturers' Specs

With over 25 years in the game, **Robert Griek of C + D Waterproofing** knows a thing or two about leaks, licensing and the litigation associated with this trade. In this presentation, Robert will break down the requirements of Australian Standard 3740, and explain what you need to know about waterproofing when planning your next wet area renovation.

Biggest Bathroom Blunders: what NOT to do in a wet area reno

Having worked in the industry for over two decades, KBDi **Certified Bathroom Designer Owen Barnes (Bubbles Bathrooms)** has seen the best and worst of bathroom renovations. In this presentation, he'll share the mistakes most often made by designers, and offer some best-practice advice for blunder-free bathrooms.
