## BE CONNECTED

## BE INSPIRED

**Darren Palmer** is a successful designer, popular personality, thought leader, influencer, and a proud ambassador for Häfele Australia. His extensive expertise combined with his understated approach have made him a household name and an industry expert. Be inspired as he shares his wealth of knowledge at this not-to-be-missed event.

## BE INFORMED

Sometimes the simplest things are the most extraordinary. **Clever Storage by Kesseböhmer** strives to achieve the perfect balance between form and function; at this event, you'll learn how to use the products in your designs to maximise convenience and capacity in today's multi-use kitchens.

## BE BOOSTED

After receiving a record number of entries in the KBDi Designer Awards, we're super excited to be announcing the finalists at this event.

Join us in congratulating and celebrating with the NSW Designers who've made it to the next stage.
