Justyn, who has worked closely along side Saskia Beer, has tailored an all South Australian delicious menu for this event, representative of our Barossa, Adelaide Hills, Coffin Bay and Fleurieu regions. Local Craft beverages and beautiful South Australian wines have been paired to compliment the menu.

TOP TIPS FOR PRODUCING PLANS

Having worked in cabinetmaking, design and drafting for over a decade, **Aaron Meyer (Meyer Vision)** has experience at both ends of the concept to construction journey. Aaron knows how clear and concise technical drawings can eliminate design fails and avoid on-site hassles.
