BE CONNECTED

Network with industry insiders and connect with like-minded professionals at the fabulous Häfele Design Centre and Showroom.

This outstanding facility showcases an enormous range of functional kitchen and living hardware and offers designers the best opportunity to see specified fixtures and fittings in action.

FORM, FUNCTION AND THE DESIGN CAPACITY OF CONCRETE

In this informative session, Michelle Ashley-Emile (Element Design Studio) and Leith Dodunski (Hardcore Concrete Designs) will kickstart a conversation all about concrete. They'll break down the design and construction of an ultra-impressive and carefully sculpted concrete kitchen island, and will discuss the challenges of working with this versatile product.

BE BOOSTED

Find out how KBDi can support you with our four pillars: knowledge + know-how, business, design and inspiration + innovation.
