simply silent

Celebrate

It's time to let your hair down and have some fun at our end-of-year event.

Event sponsor **Schweigen** is generously shouting the drinks and canapés. Come along to connect with these great industry supporters and learn why and how to specify their products in your next kitchen or bathroom design.

Schweigen silent rangehoods are made in Europe, and harness the power of the German-made Isodrive® motor mounted uniquely outside the home - so your clients will enjoy quietness and healthier air where they cook.

There will be plenty of time to network with fellow designers, too. Find out what your peers have been up to and boost your inspo levels as you prepare to wind up this year's projects.

What else can you expect at a KBDi event?

- drinks and canapés
- lucky door prizes
- invaluable networking with your peers
- introductions to the industry's best product reps
