Network with industry insiders and connect with like-minded professionals at the stunning Earp Bros Showroom.

Earp Bros is one of Australia's oldest companies and is 100% family-owned and operated. They're trusted suppliers of the world's highest quality hard surface materials - including ceramic and porcelain tiles, natural stone and innovative surface products - and have a dedicated focus on ethical business practices. They take pride in their commitment to being the first in both the Global GreenTag Certified tiles and Modern Slavery Declaration categories, and we're thrilled to have them on board as a KBDi Partner.
